

Society for Computational Economics
20th International Conference on Computing in Economics and Finance
June 22 - 24, 2014
Oslo, Norway

CALL for PAPERS

The 20th Annual Conference on Computing in Economics and Finance (CEF 2014) will take place at BI Norwegian Business School in Oslo, Norway from Sunday, June 22 through Tuesday, June 24, 2014. We encourage submissions in the fields (broadly defined) of macroeconomics, finance, econometrics, agent based modeling and computational methods.

Plenary Speakers:

Lawrence Christiano, Northwestern University
Kenneth J. Singleton, Stanford University
Thomas Lux, Universität Kiel

Program Co-Chairs:

Hilde C. Bjørnland - BI Norwegian Business School
Francesco Furlanetto - Norges Bank

Program Committee:

(Committee members will be organizing invited and contributed sessions, and nearly all have committed to attending the conference.)

AGENT BASED MODELING

Jasmina Arifovic, Simon Fraser University - Canada
Tiziana Assenza, Università Cattolica del Sacro Cuore - Italy
Shu-Heng Chen, National Chengchi University - Taiwan

FINANCE

Carl Chiarella, University of Technology, Sydney - Australia
Bruno Gerard, BI Norwegian Business School - Norway
Dagfinn Rime, Norges Bank - Norway

MACROECONOMICS-THEORY

Kevin Lansing, Federal Reserve Bank of San Francisco - United States
Kjetil Storesletten, University of Oslo - Norway
Tommy Sveen, BI Norwegian Business School - Norway
Andrea Tambalotti, Federal Reserve Bank of New York - United States

MACROECONOMICS-EMPIRICAL

Marcelle Chauvet, University of California Riverside - United States
Marco Del Negro, Federal Reserve Bank of New York - United States
Thomas Lubik, Federal Reserve Bank of Richmond - United States
Rafael Wouters, National Bank of Belgium - Belgium

ECONOMETRICS

Yooson Chang, Indiana University - United States
Sandra Eickmeier, Deutsche Bundesbank - Germany
Francesco Ravazzolo, Norges Bank - Norway

COMPUTATIONAL METHODS

Jesper Linde, Federal Reserve Board of Governors - United States
Junior Maih, Norges Bank - Norway
Michael Reiter, Institute for Advanced Studies Vienna - Austria
Robert Tetlow, Federal Reserve Board of Governors - United States

Submissions:

You are invited to submit a paper. Abstracts can be submitted electronically via Conference Maker using this link: https://editorialexpress.com/cgi-bin/conference/conference.cgi?action=login&db_name=CEF2014

During submission you will be prompted to select a topic area from list above which best fits the subject of your paper. Papers can also be submitted in Conference Maker for the CAMP Workshop on Commodity Price Dynamics and Financialization, which will take place following the conference on Wednesday, 25 June, 2014. Papers that are not selected for the workshop will be considered for inclusion in the conference program.

Joint-authored papers should be submitted by the author who is planning to present the paper. Presenters will be limited to one paper each.

Complete invited sessions are encouraged. Proposals should be sent by email to Francesco Furlanetto (Francesco.Furlanetto@norges-bank.no).

Deadlines:

Abstract submissions must be received on or before February 15, 2014

Authors of accepted papers will be notified by March 24, 2014

Registration for presenters must be completed and paid by May 9, 2014

Full papers should be uploaded to Conference Maker by May 16, 2014

Pre-Conference Workshops:

Friday and Saturday, June 20 and 21, 2014

Details will be posted on the conference website.

Post-Conference Workshop:

Wednesday, June 25, 2014

“CAMP Workshop on Commodity Price Dynamics and Financialization”

Presented by the Centre for Applied Macro- and Petroleum economics, at the BI Norwegian Business School.

Keynote speakers: Kenneth Singleton, Stanford University and James Hamilton, University of California San Diego.

Additional details will be posted on the conference website.

Student Prizes:

The SCE sponsors cash prizes for the best graduate student paper presented at the Conference. Details for eligibility and submission instructions will be posted on the conference website. Deadline for entry of a complete paper is March 1, 2014.

Registration and Conference Information:

All presenters, including those whose papers have been invited or solicited by members of the program committee, will be expected to register and pay fees to attend the conference. Details concerning the conference, including instructions for registration and hotel reservations, will be posted on the conference website as information becomes available. Visit the conference website (http://comp-econ.org/CEF_2014) for updated information, or direct your questions via email to cef2014@simplemeetings.com.

Please distribute this announcement to potential participants.
