Submissions:

You are invited to submit a paper. Abstracts can be submitted electronically via Conference Maker using this link:

https://editorialexpress.com/cgi-bin/conference/conference.cgi?action=login&db_name=CEF2017

Joint-authored papers should be submitted by the author who is planning to present the paper. There will be a limit of one paper presented per author.

Deadlines:

Abstract submissions must be received on or before February 15, 2017

Authors of accepted papers will be notified approximately March 20, 2017

Registration for presenters must be completed and paid by April 30, 2017

Full papers are encouraged to be uploaded to Conference Maker by May 31, 2017

Pre-Conference Workshops:

Several pre-conference workshops will be scheduled prior to the opening of the conference on Monday and Tuesday, June 26 and 27. Details about workshops will be posted on the conference website in due course.

Student Prizes:

The SCE sponsors cash prizes for the best graduate student paper presented at the Conference. Details for eligibility and submission instructions will be posted on the conference website. Deadline for entry of a complete paper is February 15, 2017.

Women Networking:

For the first time, the CEF meeting will include a networking and mentoring session for women researchers. Additional information will be provided on the conference website.

Registration and Conference Information:

All presenters, including those whose papers have been invited or solicited by members of the program committee, will be expected to register and pay fees to attend the conference. Details concerning the conference, including instructions for registration and hotel reservations, will be posted on the conference website as information becomes available. Visit the conference website (http://comp-econ.org/CEF_2017/) for updated information, or direct your questions via email to cef2017@simplemeetings.com.
